

Icknield Community College GCSE Results 2017

Students at Icknield Community College have, once again, achieved exam results of which they can be rightly proud.

- 79% of students achieved a standard pass in English
- 74% achieved a standard pass in Maths.
- 72% of students achieved at least 5 standard passes overall.

Top performing subject areas, all achieving at least 70% standard passes, include:

- Biology
- Chemistry
- Drama
- English
- French
- Geography
- History
- Maths
- Media Studies
- Music
- PE
- Physics
- RE

“I am delighted that so many of our students across the ability range have achieved so well across such a wide range of subjects,” said Mat Hunter, Headteacher.

“Many congratulations to all of our students who have achieved individual success through their sheer hard work and determination. My thanks also to the staff and parents who have supported them to do so well.”

Top performing students include:
