Love Lane, Watlington, Oxfordshire, OX49 5RB

4 January 2018

Dear Parent/Carer

As part of our commitment to promoting STEM subjects (Science, Technology, Engineering and Mathematics), we are running a trip to the Big Bang event at Rutherford Appleton Laboratories on Thursday 1 February 2018.

We would like to invite your son/daughter to be part of our team of eight Year 7 students who will attend the event. During the day, there will be a variety of team and individual activities along with an opportunity to hear about cutting edge science and meet real-life scientists.

The trip will leave school at **8.30am** and may return after 3.00pm. As a result, please could you arrange to collect your child from school that day.

Students should bring their own food and drink as lunch is not provided. Students should wear their school uniform and may also need a coat.

If you are willing for your son/daughter to take part in this activity, please return the parental consent form to the Finance Office by **Friday 12 January 2018**.

Should you have any further questions about this trip, or would like to discuss it further, please contact me on the school telephone number or by email on Katherine.scane@icknield.oxon.sch.uk

Yours faithfully

Miss K Scane
Science Teacher
