

Student Welfare Manager – Information for Students

Who is the Students Welfare Manager?

- Mrs Jane Bellars

Why might I go to see her?

- You are feeling worried about something that you don't feel able to talk to your parents or friends about e.g. having problems with friends, worrying about homework or not understanding a lesson and you find talking to a teacher difficult. You may be having problems at home; arguing with your parents or your siblings.
- You may feel lonely and that no one understands
- You are concerned about someone else
- You have a parent who is overseas and you miss and worry about them

How would she help?

- Provides one to one support to students
- Liaise with Form Tutors, subject teachers, Progress Managers, parents and external agencies

Where and when could I go to see her?

Her Office is behind Reception. Please go to Reception and they will let Mrs Bellars know you would like to speak to her. You can pop in at break and lunch any day except Thursdays to see her without an appointment. She will send out notes for other meetings through your tutor, if they are needed.
