Dear Year 11 Students and Families

I hope you are all well. At the end of another week, I just wanted to provide you with a few updates.

Firstly, please visit the link below for a latest Careers Update:

If you are planning to attend City of Oxford College, please see the letters attached to this Parentmail.

If you are planning to study A Level Maths next year, please note that HegartyMaths is offering a daily free online "Getting Ready for A Level Maths" lesson. It is at 2.00pm each day on youtube.

This week, Ofqual have provided some updated guidance on Centre Assessment Grades. I have attached this updated guidance to this Parentmail so that you can access it (if you haven't seen it already).

On a completely different note, we were made aware this week of a new Mental Health Helpline set up during the coronavirus pandemic for children and adults in Oxfordshire and Buckinghamshire. Please see the details below:

Support for Mental Health during the Pandemic **24/7 Mental Health Helpline for Oxfordshire and Buckinghamshire**

A 24 hour Helpline has been set up to support people during the coronavirus pandemic. People can call Buckinghamshire & Oxfordshire Mental Health Helpline when they need to find out when and where to get help and to access support from mental health professionals for a range of conditions and symptoms including anxiety, low mood, stress, worry, difficulty with relationships, crying often, feeling helpless, confusion, hallucinations or hearing voices.

Adults: 01865 904997.

Children and young people: 01865 904998.

I hope you find the above information useful.

Yours faithfully

Mat Hunter
