

Dear future Year 7,

I am Isabella and am in Year 7. I was really nervous about starting secondary school. I was worried about getting lost, making new friends and how I would manage the school work. So I want to tell you, you don't need to worry as it is great at ICC.

The teachers have really helped me to learn, and they are very kind and understanding. They give out Kudos points and you get sweets! It will be strange for you guys joining as you won't be able to have the days at school where you can meet people and get a feel for your new secondary school. Don't worry about that because everyone is very friendly and if you get lost all you have to do is ask someone for help, and they will help you.

The lessons have been fun, my favourites are art, cooking and PE. Although I like all the lessons and teachers. Break times are good fun, we can go to the school canteen and get some food. We can eat whatever we like! My favourite food are wedges!!!

I am really excited to meet you.

Bye,

Isabella
